Dear Brothers and Sisters,

Thank you for the past few years in which we are able to accept the wonderful experience of sharing the realness of knowing of what we are in life. Let me say where I think we are:

I know a little of where I have been, like it or not, and I have slowly accepted I am not alone. “Thank you” each and every one in this parish Family. I can remember the joy of being together, but such is drifting away.

As for the future, my expectations are vague but my hope is seeing and knowing our team brother, the Lord Jesus. But for now we may be still in the state of doubt i.e. the state of unknown. We forget the past and can’t see the future clearly. But our faith keeps us together giving us all the strength to continue and the energy to accept the present. So knowing this much I must say thank you for my time with this team of Christ. I hope I helped this team as you all have helped me.

Thank you and God bless you. I hope we can share the victory of this team when we meet again with our Captain Jesus.

May God bless you all until we meet again,

Father Foley

A special Thank You for all your love and support for my brother over the years he has been with you. We will continue to keep you all close to our hearts and in our prayers.

Thank you again, Kathleen (Father Foley’s sister.)
